# GENERAL INFORMATION

**TIME:** Saturday, September 20, 1969, Show at 8:30 A.M., Sale at 11:00 A.M., CDT.

**LOCATION:** The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa on U.S. 30, and U.S. 218. On paved roads between Cedar Rapids, and the airport.

**LUNCH:** Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. **TERMS:** Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. **GUARANTEE:** All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. We will follow the practice of giving the consignor the opportunity to state a "reserve bid" or have the auctioneer announce "No Sale" on any animals. In case of a "no sale", the seller pays the regular pro rata sale expense, but there will not be any manager's fee. However, if any animals are "by-bid", there will be due the manager's fee. It is our hope this would discourage this practice.
6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. **MAIL BIDS:** Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. **AUCTIONEER:** Dick Kane, Wisner, Nebraska.
10. **SPECIAL REPRESENTATIVES:** Jerry Crickman of the Shorthorn World; Wade Hauser, Jr., Wallaces Farmer; Sherman Berg, American Shorthorn Association; Wayne Farnum, Victor, Iowa; and Bob Sherrard, St. Ansgar, Iowa.
11. **VETERINARIAN:** Dr. O.R. Corbett, DVM, Vinton, Iowa.
12. **SALE MANAGER:** Allan A. Johnson, R. 3, LeMars, Iowa 51031. Phone: 712-533-2453.
13. Livestock Insurance may be obtained in the American Livestock Insurance Company. Talk to the Sale Manager.
14. Announcements from the Auction Box will take precedence over the printed matter in this catalog. If errors appear in the catalog, they will be corrected and announced from the Auction Box.

# LOUADA BARBARIAN

This bull does a tremendous job in every herd where he is used. Many top selling animals in previous Hawkeye Downs sales have been his sons and daughters. Now being used in the Anderson and Moothart cowherds, his influence and records should continue. Lots 14, 15, 24, and 61 are some of his offspring.

# **"SCALES" AN IMPORTANT TOOL TO PROFITABLE BEEF PRODUCTION**

**EVERY BULL TO BE SOLD IN THIS SALE WILL BE  
WEIGHED ON SALE DAY, AND WEIGHT FOR DAYS OF  
AGE GIVEN FROM THE AUCTION BLOCK!**

Beef production in the last four or five years has made considerable change. In an attempt to keep abreast of these changes, the breeders of the Hawkeye Downs area last March voted to initiate a new program somewhat unique to this type sale. It was their feeling, in this day and age, of emphasis on not so much size for sale of size, but rather size for age, something should be done to recognize this in the sale ring. Recognizing the fact that a large number of the bulls sold at Hawkeye Downs go to commercial herds, this should be a real sale too, as well as a purchasing tool, for these commercial operators. Also with the interest in the Shorthorn breed on size and scale, every purebred man in the business should be aware of this growth factor in his herd bull purchasing. The emphasis in beef production today must be on the most pounds of saleable quality beef in the shortest number of days, with the least amount of feed. With the correlative factor between rate of gain and feed conversion, we think this is a step in the right direction. We also acknowledge the discrepancy in a program such as this, which is the fact that some bulls are handled and fed differently than others, and the variations in ages at sale time. We feel that you, as prospective bull buyers at Hawkeye Downs should not use this as the sale method of selection, but should use it rather, as an implement to assist you in your selection.

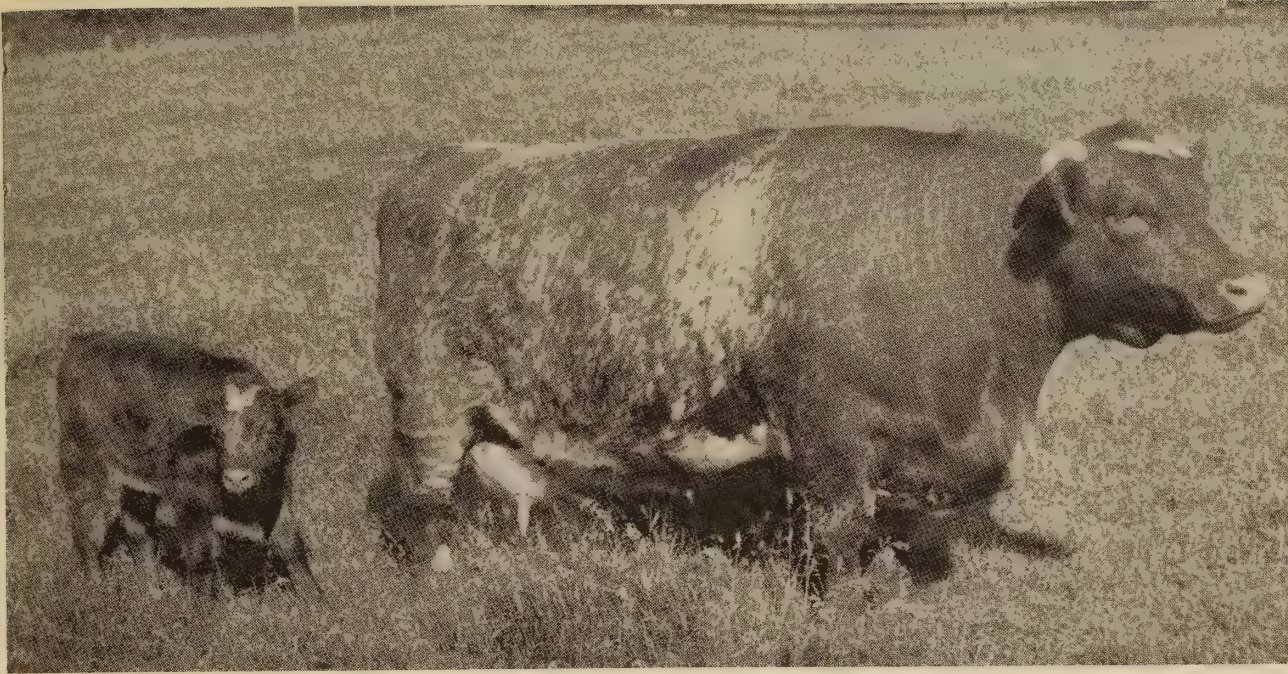

If this program meets with you as buyers approval, please let the consignors or sale manager hear from you, and we will attempt to include it in our spring sale as well.

Allan A. Johnson, Sale Manager
